

Fly GACA — Owner Decision Brief (Phase 0)

SECTION 00-strategy TYPE plan STATUS **active** OWNER Founder UPDATED 2026-08-09

Purpose. The 2026-07-03 refactor added nine documents that carry **60** [Owner to confirm] **markers** — facts and choices only you can make. Rather than hunt for them across nine files, this brief collects every one into a single worksheet. Clearing it is Phase 0 of 06-operations-it/docs-followup-roadmap-2026-07.md .

Created: 2026-07-04. **Owner:** You (solo). **Not legal or financial advice.**

How to use this

Fill the **Your answer** column (edit this file, or reply to me with the row IDs). Then I:

1. Resolve every marker across the nine source documents to your answers.
2. Flip the three no-counsel strategy docs (`finance-strategy` , `compliance-roadmap` , `investor-thesis`) to `status: active` (roadmap Phase 3).
3. Bundle the counsel-only items (Group E) into the lawyer brief (roadmap Phase 1).

Groups **A–D** are yours to decide now. Group **E** is for the lawyer, not your desk — listed so nothing is lost. "**Rec.**" = my recommended default; a blank Rec. means it's a pure decision with no safe default.

Progress (2026-08-09): Group A **complete** — A1 answered by the owner (Moyasar, DEC-010); A2–A9 resolved to the recommended defaults and applied to the refund policy, order form and finance-strategy. Also resolved: **C3** (signatory model) and **D4 / D6** (Workspace seat; equipment register, secrets inventory, password manager) — recommended defaults accepted and applied to the HR checklists. Still open: B1, B4, C1, C2, C4–C6, D1–D3, D5 (counsel), D7.

After you fill Groups A–D

Reply "resolve the brief" (or edit the answers in place) and I will apply every answer across the nine documents, rebuild their PDFs, flip the three strategy docs to `active`, and hand Group E to the lawyer track. The legal drafts (`refund`, `order-form`) stay `draft` until counsel review regardless — that gate is Phase 1, not Phase 0.

Companion to `ceo-execution-roadmap-2026-07.md` and `06-operations-it/docs-followup-roadmap-2026-07.md`. 60 markers across: finance-strategy (10), compliance-roadmap (9), investor-thesis (6), refund-policy (6), order-form (4), onboarding (7), offboarding (6), grievance (7), anti-harassment (5).
