

CLAUDE.md

SECTION 01-governance TYPE document STATUS **active** OWNER Founder UPDATED 2026-07-31

Guidance for AI coding assistants working in this repository has moved to the repo root:

[/CLAUDE.md](#).

Claude Code auto-loads project instructions from a repository's root `CLAUDE.md`, not from a nested one, so keeping the real guidance here would mean it's silently ignored. This file previously held a stale, mis-copied vendored guide for a *different* repository (the product monorepo's build/routing/backend guidance, which doesn't apply here); it has been replaced with this pointer to avoid misleading future edits. Update `/CLAUDE.md`, not this file.
