Version: 0.1 (draft) | Date: 2026-07-03 | Folder: 05-people/

DRAFT — PENDING LEGAL REVIEW. This checklist must be reviewed by a qualified Saudi HR professional and/or Saudi-licensed legal counsel before use. It is an operational aid, not legal advice. Saudi Labor Law (Royal Decree M/51 and its amendments) governs; where this checklist conflicts with the law, the law prevails.

1. Purpose and Scope

Covers every exit from BDA Company International (شركة بدع الدولية): **resignation, non-renewal, probation termination, termination with cause (Labor Law Art. 80), redundancy, or mutual agreement.** Triggered the day notice is given or received. The Employee Handbook's informal exit steps are superseded by this checklist.

Any termination **initiated by the Company outside probation** must first satisfy the documentation standards in 05-people/grievance-and-disciplinary-procedure-2026-07-03.md (HRSD can void terminations lacking documented warnings).

Owner key: F = Founder (acting HR/IT) | E = Exiting employee | Mgr = Line manager.
