

Fly GACA — New Hire Onboarding Checklist

SECTION 05-people TYPE checklist STATUS **draft** OWNER Founder / HR UPDATED 2026-07-03

قائمة تهيئة الموظف الجديد — فلاي قাকা

Version: 0.1 (draft) | Date: 2026-07-03 | Folder: 05-people/

DRAFT — PENDING LEGAL REVIEW. This checklist must be reviewed by a qualified Saudi HR professional and/or Saudi-licensed legal counsel before the first non-founder hire starts. It is an operational aid, not legal advice. Saudi Labor Law (Royal Decree M/51 and its amendments) governs.

1. Purpose and Scope

Operational, compliance-first checklist covering **Day -7 (offer accepted) through Day 90 (probation decision)** for full-time and part-time employees of Fly GACA Saudi Arabia LLC. It complements — and does not replace — the content-focused **30-60-90 Day New Hire Plan Template** (05-people/30-60-90-day-new-hire-plan-template.docx), which the manager fills in per role.

Out of scope: Tamheer programme trainees follow a **separate track** (HRDF subsidy claim, no EOSB, different WPS treatment) — see 04-compliance-ksa/tamheer-and-doroob-program-application-pack.docx. Do not merge the two tracks.

Owner key: F = Founder (acting HR/IT) | NH = New Hire | Mgr = Line manager (Founder until team grows).

2. Phase A — Pre-Start (Day -7 to Day -1)

☐	Task	Owner	Done-when
☐	Signed offer letter on file (05-people/offer-letter-template-2026-06-14.md)	F	Countersigned copy saved to employee HR folder in Drive
☐	Employment contract drafted from 05-people/saudi-compliant-employment-contract-template.docx and registered/authenticated in Qiwa	F	Qiwa shows contract pending employee authentication
☐	Collect pre-start documents: National ID / Iqama copy, passport (expats), certificates, IBAN, photos (per Offer Letter §6)	NH → F	All documents received and filed in Drive HR folder

☐ Task	Owner	Done-when
☐ Verify right to work: Iqama validity + profession match (expats) or Saudi national ID; record in HR file	F	Verification note dated and filed
☐ Medical insurance enrolment initiated with provider [Owner to confirm provider]	F	Policy active on or before Day 1
☐ Payroll setup: add employee to WPS payroll file / Mudad [Owner to confirm Mudad account status]	F	Employee row exists in payroll with correct basic/housing/transport split
☐ Create Google Workspace account <code>firstname@flygaca.com</code> [Owner to confirm Workspace seat vs. current Cloudflare Email Routing — see 02-legal/email-routing.md]	F	New hire mailbox receives test email; routing doc updated
☐ Provision accounts: Slack, GitHub org, Google Drive shared folders (least-privilege per role)	F	Invites sent; access limited to role-required folders/repos
☐ Provision role-specific access only if needed: HubSpot, Firebase console, Cloudflare dashboard	F	Access granted per role or explicitly deferred in writing
☐ Order/prepare laptop + peripherals; record serial numbers in equipment register [Owner to confirm register location]	F	Equipment register row created; device ready
☐ Prepare Day 1 signing pack: employment contract, IP assignment (02-legal/ip-assignment-agreement.docx), NDA (02-legal/), Employee Handbook Acknowledgment, Remote/Hybrid Work Acknowledgment	F	Pack printed or e-sign envelope staged
☐ Draft role 30-60-90 plan from template; schedule Day 1 agenda and Week 1 check-ins	Mgr	Calendar invites sent to new hire's new address

3. Phase B — Day 1

☐ Task	Owner	Done-when
☐ Verify original ID/Iqama in person (or certified remote process)	F	Sighted-original note added to HR file
☐ Sign full Day 1 pack (contract, IP assignment, NDA, handbook + remote-work acknowledgments)	NH + F	All executed copies in Drive HR folder; employee has copies
☐ Employee authenticates contract in Qiwa	NH	Qiwa status = authenticated
☐ GOSI registration (Saudi: full contributions; expat: occupational hazard branch)	F	GOSI portal shows employee active from start date
☐ Confirm WPS bank details (IBAN) entered correctly in Mudad/payroll	F	Test record validated; first payroll run scheduled

☐ Task	Owner	Done-when
☐ Hand over equipment; employee signs equipment receipt	NH + F	Signed receipt filed; register updated to "issued"
☐ Security baseline: 2FA on Google/Slack/GitHub, password manager seat [Owner to confirm password manager], disk encryption on	NH + F	Each control verified and ticked in IT note
☐ Welcome session: mission, Employee Handbook walkthrough (esp. probation, working hours, InfoSec, IP, confidentiality)	F	Session held; questions logged
☐ Walk through Leave & PTO Policy (05-people/leave-pto-policy-2026-06-14.md), Grievance & Disciplinary Procedure, Anti-Harassment Policy	F	Employee confirms receipt of all three in writing

4. Phase C — Week 1 (Days 2–7)

☐ Task	Owner	Done-when
☐ Tool orientation: Slack norms (05-slack-workspace-blueprint), Drive folder structure (03-drive-folder-structure), calendar rhythm (07-calendar-and-operating-rhythm) — all in 06-operations-it/	Mgr	New hire posts async standup unaided
☐ Codebase / product orientation (GitHub repos, Firebase/Cloudflare hosting overview per 06-operations-it/hosting-facts.md) — engineering roles	Mgr	First small PR opened or product walkthrough completed
☐ HubSpot CRM orientation — commercial roles only	Mgr	Test contact record created correctly
☐ Confirm medical insurance card/details delivered to employee	F	Employee confirms receipt
☐ Review and agree written 30-60-90 plan goals	NH + Mgr	Plan signed off by both parties in Drive
☐ End-of-week check-in (1-on-1 template, 05-people/1-on-1-meeting-template.docx)	Mgr	Notes filed; blockers assigned

5. Phase D — Days 8–30 (Learn)

☐ Task	Owner	Done-when
☐ Weekly 1-on-1s held; probation expectations restated in writing	Mgr	Four 1-on-1 notes on file
☐ Compliance sweep: GOSI active, first WPS salary paid on time via Mudad, Qiwa contract authenticated	F	All three verified after first payroll
☐ Access review: remove any over-provisioned access from Week 1	F	Access list matches role needs

☐	Task	Owner	Done-when
☐	Day 30 probation checkpoint: on/off track, documented feedback	Mgr	Written checkpoint note shared with employee

6. Phase E — Days 31–60 (Contribute)

☐	Task	Owner	Done-when
☐	30-60-90 plan "contribute" goals in progress; blockers escalated	NH + Mgr	Mid-point review note filed
☐	Day 60 probation checkpoint; if concerns exist, state them in writing with improvement expectations	Mgr	Checkpoint note acknowledged by employee
☐	Confirm leave accrual is being tracked from Day 1 (Leave & PTO Policy §3.2)	F	Leave tracker row correct

7. Phase F — Days 61–90 (Lead / Probation Decision)

☐	Task	Owner	Done-when
☐	Day 80–85: probation review meeting (pass / extend to max 180 days by mutual written agreement per Labor Law Art. 53 / terminate) [Owner to confirm — Probation Review Form is a P2 gap-audit item, not yet drafted]	F + Mgr	Decision documented and signed before Day 90
☐	If extending: written mutual agreement signed before Day 90	F + NH	Signed extension in HR file and reflected in Qiwa if required
☐	If terminating: follow Grievance & Disciplinary Procedure documentation standards and Offboarding Checklist (05-people/offboarding-checklist-2026-07-03.md)	F	Offboarding checklist opened
☐	If passing: confirm in writing; unlock post-probation items (e.g., taking accrued leave per Leave Policy §3.2)	F	Confirmation letter filed; employee notified
☐	Day 90 retro: capture onboarding improvements into this checklist	F	Checklist updated, <code>last_updated</code> bumped

8. Records

All artefacts above are retained in the employee's HR folder in Google Drive (structure per 06-operations-it/03-drive-folder-structure.docx) for the duration of employment plus the statutory retention period [Owner to confirm retention period with counsel].
