

Quarterly Business Review (QBR) Template

SECTION 08-customer-success

TYPE template

STATUS

active

OWNER Founder

UPDATED 2026-07-03

Purpose

A QBR is a structured executive checkpoint that reinforces value, aligns on goals, and surfaces renewal and expansion opportunities. Run QBRs quarterly for Professional and Enterprise accounts (and high-potential Starter accounts).

Copy this template per account/quarter and complete each section before the meeting.

Account Summary

- **Customer:**
- **Segment / Plan:** (Flight School / Charter / MRO / Commercial — Starter / Professional / Enterprise)
- **Accountable Manager / Compliance Officer:**
- **CSM:**
- **Contract term / renewal date:**
- **Current health score & band:** (from `scripts/health_score.py`)

Agenda

1. Welcome & objectives for the session
2. Period recap & outcomes achieved
3. Health, usage, and adoption review
4. Value / ROI demonstration
5. Compliance outcomes (GACA)
6. Roadmap alignment
7. Goals & action plan
8. Next steps & follow-up

Health & Usage Review

Dimension	Score	Trend	Notes
Product Usage			
Engagement			
Support Health			
Financial / Contract			
Sentiment			

- Adoption rate vs. licensed seats (target > 80%):
- Most/least used modules:
